Kell,

By way of introduction, I'm Bill Honker, Region 6 Water Director, and I'll be assisting you in transitioning into the EPA Senior Federal Official role at the Austin Joint Field Office for the Harvey response. I'll be reporting to the JFO tomorrow, and I hear you will be joining me Thursday. I wanted to make sure you had my contact information in the meantime. My cell # is 214-551-3619.

I'll send further info tomorrow once I'm at the JFO and have a better assessment of the situation. Feel free to contact me if I can provide any further information in the interim.

I look forward to working with you on this effort.

Bill
